

WHEELS

ALUMINUM WHEELS

Extensive testing has proven that aluminum wheels increase overall fuel efficiency as well as lower maintenance costs. Compared to steel wheels, TRP Aluminum Wheels can reduce truck and trailer weight by several hundred pounds. The cooler running wheels improve tire and brake life and decrease maintenance costs.

FEATURES & BENEFITS

- » Lighter weight wheels increase overall fuel efficiency
- » Cooler running wheels improve both tire and brake life
- » Lower overall maintenance costs

RELATED PARTS

- » Brake drums
- » Brakes
- » Wheel seals
- » Wheel bearings
