

TB0001 Back-Up Alarm

TB0002 Back-Up Alarm

TRP Back-Up Alarms

TRP Back-Up Alarms, with rugged housings and heavy-duty construction, meet OEM specifications to ensure excellent durability and performance. The value stands out against other brands in the marketplace.

■ Features & Benefits:

- ★ **Warning Alarm** Uses the universal “Beep-Beep” warning sound recognized worldwide as the signal for a reversing vehicle
- ★ **Self-Adjusting Volume** Automatically increases the alarm sound when the environment noise level is high (TB0002 only)
- ★ **Waterproof Design** Will not be damaged by rain or pressure washing
- ★ **ABS Plastic Housing** Heat and chemical resistant to tolerate impact, even in low temperatures
- ★ **Reverse Polarity Protection** In case someone tries to wire it incorrectly
