

379. 10 Gauge, 18" Texas Square

[Part Number: MA08C0010-06]

379. 10 Gauge, 16" Taper

[Part Number: MA08C0010-02]

TRP bumpers have a proven reputation for a long-lasting bright appearance and exceptional durability. These steel chrome bumpers meet or exceed SC4 plating specifications.

These bumpers provide long-term corrosion resistance because the stainless surface does not pit, crack or face despite the inevitable stone impact and other rough treatment trucks encounter in heavy duty service. This superior durability allows for a 1-year warranty and weight savings of up to 70 lbs compared to other steel-chromed bumpers.

■ Features and Benefits:

- ★ No hassle 1-year full warranty
- ★ Chrome Steel, OE Specifications that meets SC4 Plating Specifications
- ★ Exclusively available with Peterbilt logos
- ★ Made from OE tooling to provide consistent quality
