- » Rotatable housing consolidates inventory
- » IMS is standard

### RE42 SERIES FEATURES & BENEFITS

- » Straight Drive design
- » Optional over-crank protection (RE4275 and RE4255)

RE39 SERIES

RE42 SERIES

### STARTERS

TRP Starters provide an outstanding combination of power, durability and value. Extensively tested, the TRP Starter program features a standard straight-drive design and an advanced gear reduction starter that is half the weight of a traditional straight-driver starter.
