

SUPER SINGLE FENDERS

FEATURES & BENEFITS

- » Stainless steel mounting arms in a paddle style
- » 16-gauge stainless steel
- » Popular 2" rolled edge

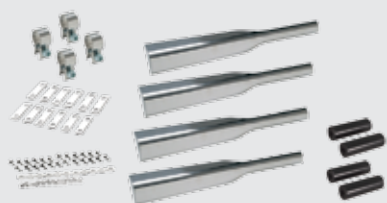

SUPER SINGLE KITS

Half Mount Super Single Kit

Full Round Mount Super Single Kit

SUPER SINGLE FENDERS

TRP Super Single Fenders measure 19" and are available in quarter fender, half tandem, full tandem and single axle configurations. Due to the reduced width of this TRP line, specific brackets are available to mount TRP Super Single Fenders. Kits cover all available styles and mount one pair of fenders.
