

WINDSHIELDS

FEATURES & BENEFITS

- » Meets stringent quality standards to ensure proper fit, while also reducing installation time
- » Meets all DOT safety standards

RELATED PARTS

- » WP1603 16" J-Hook Wiper Blade
- » WP1803 18" J-Hook Wiper Blade
- » WP1602 16" Saddle Mount Wiper Blade
- » WP1802 18" Saddle Mount Wiper Blade

WINDSHIELDS

TRP Windshields provide improved clarity and visibility that meet stringent quality standards, ensuring proper fit. Made with safety in mind, TRP Windshields are manufactured using a lamination process that securely bonds two pieces of glass with a vinyl inner layer. If an accident occurs, the vinyl inner layer prevents the glass from shattering into the cab. If the glass breaks, the pieces of glass stick to the vinyl.
